Dearest Father,

Many

Thanks for the much
money you sent me. Now
I am getting quite a lot
of money. I got very many
things for Christmas. I got a
lovely watch, and skates,
and many Books by Jules
Verne and a kalendar, and
a box to build an aeroplane

Mama is on the Summering ^{and my Lilly and it were}
that's a place near Vienna, just beautiful.
because she was ill a long
time now. She is staying
there till April. I am
playing something beautiful
now on the Violin. I think
you will know it, it's called
"Largo" by Händel. And
we also learned something
for Christmas. And I play
it on Xmas evening with

Much Love and many
Kisses

from Your

Jacky
