Dear Johnnie

Once upon a time
there was a nice little boy
and he came to visit his
Grandma + Grandpa in Ocean City.
One evening Grandpa said, "Johnnie
let's take a ride." So we got in
the car and went to see a
man that had a little girl
and a big ^{brown} dog named Bob.
Johnnie and the little girl played
with Bob. Bob was a nice dog
and he wanted to shake hands
with Johnnie and when he did
his paw was ^{so} big it knocked
Johnnie down. That didn't
scare him though and he

got right ^{up} and the next
time Johnnie held Bob's paw
with both hands. Then when
he put Bob's paw down he
licked Johnnie in the face.

Dogs can't talk but when
Johnnie said he was going to
live in Argentina Bob looked
unhappy sad because he knew it
would be a long time before
he would see him again.

now Johnnie I want you
to be a nice boy and learn
to speak Spanish so you can
teach Grouse

lots of love
Grouse.
