

Five repeaters and six underclassmen

Kathy Beisel

Nancy Bernhardt

Carol Boyer

The 1978 Inquirer Girls All-Area basketball team is stocked with underclassmen, even with five repeaters from last year leading the way.

Five players were chosen from the area's two dominant teams, Catholic League champion St. Marie Goretti and runnerup West Catholic.

The repeaters are the famed Coyle twins, Patty and Mary, of West, plus Goretti's June Olkowski, St. Hubert's Kathy Beisel and Haddonfield's Louise Leimkuhler.

The Coyles are joined by play-making teammate Renie Dunne and Olkowski is joined by teammate Helen Dean.

The five juniors — Beisel, Gratz' Debbie Lytle, Camden's Valarie Still, Collingdale's Jill McKone and St. Elizabeth's Penny Welsh — are joined by the sole sophomore, Nancy Bernhardt of Archbishop Wood.

Still, it's enough to allow fans to begin looking forward to next season.
